

TRUVI AMBASSADOR

App Flow & Standard Operating Procedure (SOP)

1. Entry Point — Home Screen

App ke “**About Us**” section ke bilkul neeche ek naya option/button diya jayega:

→ “Join as a Truvi Ambassador”

User is button par tap karke Ambassador registration flow me enter karega.

2. Registration & Verification (Step 0)

“Join as a Truvi Ambassador” par tap karne ke baad, sabse pehle login/sign-up aur verification complete karni hogi. Bina is step ke koi bhi listing visible nahi hogi.

- Account Login / Sign-up
- Document Upload — Aadhar Card
- Mobile Number Verification — OTP
- Email Verification — OTP / Link

In sabhi steps ke complete hone ke baad hi Ambassador ka profile “Active” hoga aur wo listing dekh payega.

3. Step 1 — Task Listing Dekhna

Verification complete hone ke baad, app me available projects/tasks ki **listing** dikhegi. Ambassador kisi bhi listing par **tap** karega to uski details open hongi:

- Project Name
- Address
- Google Map Location
- Deadline

Details dekhne ke baad Ambassador chahe to us task ko **Accept** kar sakta hai.

4. Step 2 — Task Accept & Status Colour Logic

Task accept karte hi uska colour badalta hai. Yeh colour system batata hai ki task kis stage me hai:

Colour	Status	Kya hota hai
YELLOW	Locked (In-Progress)	Kisi ek Ambassador ke accept karte hi task 6 ghante ke liye Yellow ho jata hai. Is dauraan koi doosra Ambassador ise accept nahi kar sakta.
GREEN	Available	Agar 6 ghante ke andar accept karne wala Ambassador saare steps complete nahi karta, to task wapas Available ho jata hai aur colour Green ho jata hai — ab koi bhi Ambassador ise accept kar sakta hai.

RED	Completed	Jab Ambassador saare steps aur required documents upload karke process poora kar deta hai, to task Red ho jata hai — matlab Completed.

5. Step 3 — Site Visit Checklist

Task accept karne ke baad Ambassador site par pahunchega. Wahan pahunchkar neeche di gayi checklist complete karni hogi:

- GPS ON
- Internet ON
- Live Location Capture

Checklist complete karne ke baad Ambassador aage ke steps par tap karke process continue karega, ek-ek step complete karte huye.

6. Step 4 — Project Documents Upload

Har project ke hisaab se Ambassador ko required documents/proof (jaise site photos, verification proof, etc.) app me upload karne honge. Jab tak yeh documents upload nahi hote, task complete nahi mana jayega aur Yellow/Green status me hi rahega.

7. Payment

Ambassador ko har successfully completed project (Red status) ke liye **■500** ka payment milega.
